Department of the Interior  
National Park Service

**Commercial Use Authorization (CUA)**  
formerly Incidental Business Permit (IBP)

<b>Park Name</b>  <b>ACADIA NATIONAL PARK</b>	<b>Region</b>  NORTHEAST
<b>Company Name</b>	<b>Permit No.</b>  NERO ACAD-5300-2005-
<b>Contact</b>	Reporting Year 2006 - submit after '06 season
<b>Address</b>	<b>Email address</b>
<b>Fax Number</b>	

The completion of all 10 items is required.

- From the list below, please circle the service or services that you offer the park visitor or client:  

Backpacking	Bus Transportation	Hiking	Van Tours	Other _____
Bike Tours	Climbing	Kayak/Canoe	Taxi	
Bus Tours	Equipment Rental	Motorcoach	Transportation	
- Please circle the range that best indicates the number of visitors and/or clients that you **served in the park** this past year:  

1-50	51-100	101-150	151-200	201-250	251-300
301-350	351-400	401-500	501-600	601-700	701-800
801-900	901-1000	Other _____			

3. On an average day, indicate below how many hours you and your clients spend in the park:

Less than 1 hour      1-2 hours      2-4 hours      4-8 hours      8-16 hours      16-24 hours

4. If more than one, how many days do you or your clients spend in the park on an average visit? \_\_\_\_\_

5. Approximately how many trips per year did your company make to the park last year? \_\_\_\_\_  
If you operate a motor coach, how many buses entered the park last year? \_\_\_\_\_

6. Is the park a primary or exclusive destination for you and your clients? \_\_\_\_ Yes \_\_\_\_ No

7. Do you provide this same service(s) or other services outside the park? \_\_\_\_ Yes \_\_\_\_ No

8. What percentage of your service occurs in the park and what percentage of the service occurs outside of the park? (For example, if a ten-day trip involves one day in the park and nine (9) days elsewhere, then in-park is 10% and out-of-park is 90%).

In: \_\_\_\_\_

Out: \_\_\_\_\_

9. Of your annual total revenue, please indicate below your estimate of the gross amount that can be attributed to providing a service that utilizes park resources:

0-\$1,000	\$1,001-2,000	\$2,001-4,000	\$4,001-6,000
\$6,001-8,000	\$8,001-10,000	\$10,001-15,000	\$15,001-20,000
\$20,001-25,000	\$25,001-30,000	\$30,001-40,000	\$40,001-50,000
\$50,001-75,000	\$75,001-80,000	\$80,001-90,000	\$90,001- 99,000
\$100,000-150,000	\$150,001-200,000	\$200,001-300,000	\$300,001-400,000
\$400,001-500,000	\$500,001-600,00	\$600,001-700,000	\$700,001-800,000
\$800,001-900,000	\$900,001-1,000,000	Over \$1,000,000	

10. What method of calculation did you use to estimate the amount of revenues attributed to providing service that utilizes park resources? (Example: Rate x number of guests x number of days.)
